

# HELP EASE SPEEDS WITH POP UP BOB

## ACTIVITY 5

### Pop Up Bob

Cut out speeding in your neighbourhood with this life-size cutout of a police officer.

#### You will need

- Co-ordinator
- Padlock (provided by the Council) to attach Pop Up Bob to a lamp post

Pop Up Bob has been used in areas across Scotland to help discourage speeding and is one of many tools implemented by Police Scotland and local authorities to improve road safety.

“Alongside high-visibility patrols and safety cameras, the Pop Up Bob prop is used in areas to help deter speeding and is a visual reminder to drivers to make sure that they drive in a responsible manner.

Superintendent Mark Rennie  
Edinburgh's Police Division

#### What's involved?

Community organisations or individuals can arrange with the Road Safety Team to use Pop Up Bob for two to three weeks.

A designated person must be responsible for setting up and dismantling Pop Up Bob every day and making sure that he's not left outside overnight.

#### Interested?

Contact the Road Safety Team to request a Pop Up Bob.

#### Top tip

Try putting Pop Up Bob outside on alternate days so that drivers don't get used to seeing him!
