

You're unique.
Your ceremony
should be too.

EDINBURGH *REGISTRARS*

Let us perform your unique personalised ceremony.

Whether you choose to have your ceremony in a castle, a hotel, a restaurant or your own back garden, **Edinburgh Registrars** can perform your wedding ceremony at the venue of your choice any day of the week.

Your ceremony

We encourage you to personalise your ceremony by telling stories about when you met, how life has changed for you both since meeting or how much you're looking forward to your future together.

Many couples choose to write their own personal vows and we provide a booklet with different examples of wording to help get you started.

You may want to include readings, poems, songs, or live music in your ceremony and we also offer a variety of enhancements such as traditional Scottish hand fasting, unity candles, sand ceremonies and many more. Some couples also choose to reflect their cultural or religious beliefs by including particular elements into their ceremony.

Our registrars

All our registrars are experienced and happy to offer help or advice, whether it's about planning your ceremony or wording for your vows. Once you've had an opportunity to consider what you would like to include in your ceremony and submitted your marriage notice forms, the registrar can meet or correspond with you to discuss your plans.

How to book

Booking a registrar is easy, just ask your venue to fill out their section of the booking form (available from our website). You and your partner will then need to complete the rest of the form and send it to us by email or post.

Once we've received your completed form we'll arrange to take your payment, book your registrar and confirm all details by email to you and your venue.
