

## Qualifying Class 2 Businesses

Only businesses carrying out a Class 2 business activity as specified in the Town and Country Planning (Scotland) Act 1997 are eligible to apply for a business parking permit.

This can be defined as undertaking financial, professional or any other relevant service which it is appropriate to provide in a shopping area where the services are provided principally to visiting members of the public.

More information, including a list of different classes can be found online at:

If you're unsure about which class your business may fall into or which permit you may be eligible for, please contact us at [edinburghpermits@nsl.co.uk](mailto:edinburghpermits@nsl.co.uk) in the first instance.
