

My views for my team

Name _____ Date _____

These are some of the things we are going to talk about at your meeting. This form can help you tell your team how you feel and what you want to happen. You do not have to answer them all if you do not want to.

What I want to say is ...

<p>All about me</p>  A cartoon orange character with a question mark above its head, sitting with its hand on its chin in a thinking pose.	
<p>My health</p>  A cartoon orange character with a white bandage on its head and a stethoscope around its neck, sitting on a small stool.	
<p>How well do I get on with people?</p>  Three cartoon orange characters standing side-by-side. The middle one is smiling and has its arms around the other two.	

Important people in my life *(your turn to draw)*

How I am getting on in school

Who looks after me?
How is that going?

How are things in my family?

Where I live and what it is like

My hopes for the future?

Are there any questions you would like to ask your team?

Is there anything else you would like to say?

I give permission for this form to be shared with my team.
