**NOTES:**

**Note 1: Charitable Organisations**

when applying for a temporary licence as a charitable, religious, youth, sporting, community, political or similar organisations qualifying material must be submitted at the time of application and again after the event

Qualifying material to be submitted with an application for a licence includes, but is not restricted to the following;

- the organisations charity number (if a registered charity),
- a copy of the organisation’s constitution/ or a list of the organisations aims and objectives if no constitution exists
- a copy of the organisations last annual audited accounts or a copy of the recent statement of accounts

after the expiry of a licence organisations must provide the following returns;

- statement of account showing monies raised and any expenses incurred

**Note 2: Public Entertainment - Amusement Devices**

Amusement Devices – this includes carousels, bouncy castles, bungee jump, or bungee running equipment, stalls, tents, booths or structures. They will all have either been installed or erected and therefore require safety checking ahead of members of the public having access to them. They are operated in connection with the amusement or entertainment of the public

**Note 3: Public Entertainment Variation - Capacity Increase**

The fee due for an application to increase the capacity of an existing public entertainment licence will comprise of the difference between (a) the fee due for a licence with the new increased capacity and (b) the fee already paid for a licence with the original occupant capacity as per the following;

	<u>example</u>	<u>£</u>
(a) fee due for a licence with a capacity of 350		2091
(b) less the fee paid for a licence with a capacity of 200		1385
total fee payable for application to increase capacity		<u>£706</u>

**Note 4: Public Entertainment – Free to enter events**

no public entertainment licence is required for the following ‘free to enter’ events

- Events held by a charitable, religious, youth, sporting, community, political or similar organisation (see note 1) providing the capacity **does not exceed 500 people**
- premises used for exhibitions of artwork
- premises in which live music is being provided incidentally to the main purpose or use of the premises where that main purpose or use is not as a place of public entertainment.

#### **Note 5: Public Entertainment – Pay to enter events with a maximum capacity of 250 people**

no public entertainment licence is required for premises used for functions or events by;

- any charity, religious, community or political group or any similar non-commercial organisation where the public pay to enter or use the any facilities for their entertainment provided the capacity **does not exceed 250 people**

#### **Note 6: Public Entertainment Licence with Amusements**

To be eligible to apply the following criteria must be met;

- A non-commercial operation is a charitable, religious, youth, sporting, community, political or similar organisation.
- Organisers of the Community Event/Gala Day should be volunteers and part of a committee – you may be asked to provide evidence of this when submitting your application.
- An application for a Public Entertainment Licence with Amusements, must be submitted after the application for a Community Event/Gala Day has been received by the licensing service.
- To be eligible for the discounted rate, only the owner/operator of the amusement equipment i.e. the owner of the bouncy castle, can make an application for Public Entertainment Licence with Amusements.
- The insurance for the amusement equipment must be in the name of the owner/operator.
- The amusement device capacity should be total capacity of all pieces of equipment i.e. 2 bouncy castles with combined capacity of 20 would pay £50
