skyline	B	-	New Town skyline in front of Hub spire, Castle and Charlotte Square dome seen against sky; low rooflines to west of Castle emphasise its height; roof levels round Charlotte Square (85m) and between Lothian Road and Castle are therefore important
	C	-	
backdrop	D	-	backdrop west of Castle where height of retaining walls are clearly seen, is sensitive to roof levels raised above the rising sightline
	E	-	

Castle, Hub spire and Charlotte Square dome from A902 Ferry Road, along Merchant Maiden Playing Field
