

CHANGE STRATEGY: IIA

44 – Edinburgh Shared Repairs – income generation

High Relevance	Yes/no
The proposal has consequences for or affects people	yes
The proposal has potential to make a significant impact on equality even when this only affects a relatively small number of people	No
The proposal has the potential to make a significant impact on the economy and the delivery of economic outcomes	No
The proposal is likely to have a significant environmental impact	No
Low Relevance	
The proposal has little relevance to equality	Yes
The proposal has negligible impact on the economy	Yes
The proposal has no/minimal impact on the environment	Yes
If you have identified low relevance please give a brief statement of your reasoning and report this to your Head of Service. Please then attach this paragraph to the section in the relevant management or committee report where Impact on Equality is considered.	

The increase in income is through a charge for individuals (who are selling their home) for information on legacy shared repairs projects. The information is not legally required and therefore individuals have the choice of declining the service
