PARTICIPATION REQUEST - PR 26750

TRAFFIC MANAGEMENT

Date

03 September 2020

Dear

Decision Notice – Participation Request – Traffic Management

Thank you for submitting a participation request. Following review, I am pleased to confirm that the request has been accepted by the City of Edinburgh Council.

The Outcome Improvement Process is set out as follows:

1. Meet to agree the scope of future solution-based discussions and identify any existing engagement processes, strategies and corporate plans - which can be inputted to – identifying key involvement and key decision makers.
2. Agree shared principles to ensure meaningful, constructive discussions and help identify potential solutions - which may well involve significant compromise for all.
3. Agree a forward action plan where all potential solutions, opportunities and ideas have been realistically examined and fully explored.

It is hoped that the Outcome Improvement Process will be concluded by 31 March 2021.

We can discuss the outcome improvement process in more detail at our meeting on Tuesday, however, please advise of any proposed changes to the above within the next month. We look forward to working with you and your colleagues to achieve a positive outcome.
