

Integrated Impact Assessment Statement– Corporate Services workforce savings

The Corporate Services Directorate provides a range of enabling corporate support services across areas such as finance, human resources, legal, digital and policy and strategy development and delivery. The proposed reductions will be delivered through effective vacancy management to deliver cumulative savings.

For the reasons noted above, there is therefore not anticipated to be any material disproportionate impact of the proposals on those with protected characteristics, those vulnerable to falling into poverty, geographical communities or staff, nor on the economy or environment.
