Subject: Support of Blackhall Community Trust for the proposed plans to extend and expand the existing building premises for Blackhall Nursery in Ravelston Park

Dear Sir/Madam

We would like to lodge our support of the proposed plans for expansion of Blackhall Nursery. The Nursery is such an asset to the community but the building is small. It's expansion would increase capacity so that more children can enjoy the benefits of the high standard of childcare and early years development offered there.

Yours sincerely,

Karen & Femi Oso
