Subject: Transfer of Ravelston Park Pavilion and Land to the Blackhall Community Trust

Dear,

I am writing to **express my support** for the above mentioned proposal for the transfer of the Ravelston Park Pavilion and Land to the Blackhall Community Trust. The pavilion is old and unfit for the purpose as a children's nursery. The community trust's vision to create a better quality nursery environment and provide facilities for the local community and park users is excellent and well needed.

Any negative impact on the local area is minimal and the piece of land requested is small leaving plenty of the park for other uses.

Best regards,
Jenny Young
