Subject: Blackhall nursery

To whom it may concern,

As a resident of Blackhall who has sent 3 kids to the nursery I would like to make it known that I wholly support the proposal to develop and enhance the current facilities. I think it'll make a massive difference to parents in Blackhall who currently can't get a space for their child at the nursery because of the size of it. As I understand it, the space will be open to local residents to book and use for other clubs. This is a great idea & I'm convinced will enhance the community spirit.

Kind regards

Becky Cameron
