Hi

Regarding the consultation on the above.

I and my family, (my wife and two sons, all resident in Blackhall), are supportive of this development. Our reasons include the following:

- Blackhall Nursery and the children and families of Blackhall urgently need a new, fit-for-purpose home (10 new places would be created, taking the total from 30 places to 40)
- The need for a small community meeting space to complement existing options was identified through community consultation
- Residents and community groups need changing spaces/accessible toilets so the Park and woods can be used for fresh air, exercise and recreation for all ages.

Kind regards

Martin Bowden
