

Ravelston Park – Representation 065

Karen & Alistair Brown  
REDACTED

Ravelston Park

We would like to object to the asset transfer on the basis that the land was originally gifted to the community to be used as recreational space. Whilst we recognise the benefits that the proposed extended nursery plans and community hub would offer, we fear this sets a precedent for future projects to further encroach on this and other similar spaces across the city.

Regards,

Karen & Alistair Brown
