Subject: Opposition to asset transfer request: Ravelstone Pavillion

To whom it may concern,

I'm writing to oppose the application by the Blackhall Community Trust for the pavilion and neighbouring land. My reason is based on the grounds that I think we should be preserving green spaces for the future and building should be carried out on brown or used land.

Although the request is for a relatively small area it sets a precedent that park land can be sold on and ultimately could mean that this green space is eventually lost to the local community.

Over the last 2 years we have become more aware of the importance of green spaces for all.

Fiona Johnson
