

Owl Babies

Use the paper plate to make an owl mask. Can you move around like an owl? What noises would you make?

See if you can find out the names of some other animal babies

How do you think Owls see in the dark? What could you use to help you see in the dark?

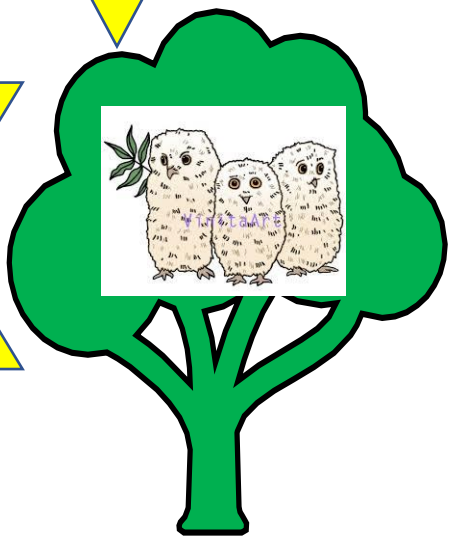

The owls were different sizes. Can you order the owls from big to small Match the owls to the correct trees and moon shapes.

Make an owl from the shapes provided. Can you name the different shapes.

In Autumn, it gets darker and we need to be careful on our way to nursery. Talk to an adult about road safety and all the things you should remember to do.

How many words can you think of that rhyme with- star, moon, mice and mum

The owl babies were waiting for their mum to bring back food. Choose a snack and help make it for your family.
