

Listen to the story and talk to an adult about what happened to the pigs and the wolf

Using anything around the house for pouring and measuring, make a potion to put in the pigs cauldron. Add anything you like to the water to make it as yukky as you like!

The pigs ran from one house to the other. Can you think of any other ways you could move eg skip, crawl, bunny jump!

Cut out the puppets (or make your own) and use them to retell the story to your family.

The Three Little Pigs

See if you can add sound effects to the story as you listen. Use anything around the house eg banging wooden spoons for building or clanging pan lids for the house falling down...

What do you think the pigs took with them in their suitcases. What would you take? Use a case or bag and collect the things you would take.

Empty the bag and count how many things are in your case.

Build a house from things you have around your home eg pillows, blankets. Discuss whether it is strong or not. How does it feel when you are inside the house waiting for the wolf?!
