

## Play and Learning @Home

### Guidance for Parents/Carers

Parents and carers are children's first educators, and we know that you bring a huge value to your child's learning and development.

We want to provide suggestions of experiences that you would be able to share with your child to support their learning at home.

As we know, in the early years, children learn best by doing and through real-life contexts. The greatest learning opportunities for our children are through adults listening and talking, playing and spending time with them.

Real life experiences like folding washing, or matching socks are rich with learning, especially when adults talk to their children about what they are doing.

To support your child's play and learning at home we have 5 packs each based on a well-known storybook to choose from:

- ❖ Mrs Mopple's Washing Line
- ❖ What's the Time Mr Wolf
- ❖ 10 Little Fingers (0-3yrs)
- ❖ Owl Babies
- ❖ Three Little Pigs

For each story there is a learning mat describing a range of experiences and activities that you can do with your child. Enjoy and have fun!
