## **Summary Report Template**

Each of the numbered sections below must be completed

| Interim report X | Final report | (Tick as<br>appropriate) |
|------------------|--------------|--------------------------|
|------------------|--------------|--------------------------|

1. **Title of proposal –** Young People with a Disability Transitioning from Schools to Adult Life - Policy

### 2. What will change as a result of this proposal?

Strengthen and improve the Integrated pathways for children transitioning into adult services.

Social care teams and school staff with responsibility for post school transitions will have clearer roles and responsibilities in post school transition pathways (from age 14). In addition, third sector service providers will have a greater understanding of these duties which should help them to shape and adapt their services to meet with any future demand.

Families and young people will have greater clarity and access to information about transitional support, which will be linked with school leaving age and their individual needs.

#### 3. Briefly describe public involvement in this proposal to date and

Parent Focus Group this session meeting roughly every 8 weeks (so far has been August 15<sup>th</sup>, September 30<sup>th</sup>; 8<sup>th</sup> December to date).

Development Officer has been going into schools and third sector service provider meetings (e.g.Thistle) to meet with parents at information evenings/coffee mornings etc to give information and seeking feedback.

Principles into Practice Group meets 6 weekly and are inclusive of representation from the Scottish Transitions Forum to discuss areas for improvement and engagement connected to the 7 principles.

Development officer attends City Wide Special Schools roughly every 8 weeks meeting to provide updates and seek feedback.

Parent questionnaire (pre pandemic)

Parent questionnaire for last years' leavers. Parent questionnaire currently gone live for this years' leavers.

- 4. Is the proposal considered strategic under the Fairer Scotland Duty? Yes
- 5. Date of IIA 11 January 2023
- 6. Who was present at the IIA? Identify facilitator, Lead Officer, report writer and any partnership representative present and main stakeholder (e.g. NHS, Council)

- 9. Is any part of this policy/ service to be carried out wholly or partly by contractors and if so how will equality, human rights including children's rights, environmental and sustainability issues be addressed? No
- 10. Consider how you will communicate information about this policy/ service change to children and young people and those affected by sensory impairment, speech impairment, low level literacy or numeracy, learning difficulties or English as a second language? Please provide a summary of the communications plan.

Communications will be via schools and social work colleagues and information shared at parents' meetings. This will be done in a way that ensures that this information reaches all relevant groups outlined above.

Information available in different languages? Closed loop in meetings? Videos with subtitles have been made for school use.

There will be planning meetings for young people, and this will be discussed.

11. Is the policy likely to result in significant environmental effects, either positive or negative? If yes, it is likely that a <u>Strategic Environmental Assessment</u> (SEA) will be required and the impacts identified in the IIA should be included in this.

12. Additional Information and Evidence Required

If further evidence is required, please note how it will be gathered. If appropriate, mark this report as interim and submit updated final report once further evidence has been gathered.

13. Specific to this IIA only, what recommended actions have been, or will be, undertaken and by when? (these should be drawn from 7 – 11 above) Please complete:

# 14. Are there any negative impacts in section 8 for which there are no identified mitigating actions?

No

# 15. How will you monitor how this proposal affects different groups, including people with protected characteristics?

This will be done through individual reviews, joint transitions meetings, budget meetings, committee reports and review of policy and procedure.
