

STATEMENT OF REASONS

THE CITY OF EDINBURGH COUNCIL (TRAFFIC REGULATION; RESTRICTIONS ON WAITING, LOADING AND UNLOADING, STOPPING AND PARKING PLACES) (VARIATION NO 10) ORDER 2023 - TRO/19/94

Sighthill Avenue & Sighthill Drive

As a result of installing new pedestrian tactile crossing points at the junction of Sighthill Avenue with Sighthill Drive, new double yellow line markings are required at several locations. More specifically, the new double yellow lines are required in order to eliminate parking in close proximity to the new crossings and allow for clearer visibility for pedestrians whilst crossing the road. As there are currently no parking restrictions in place along Sighthill Avenue or Sighthill Drive, a TRO is required so that such changes can be implemented.

These changes at the junction will create safer pedestrian facilities, additional uncontrolled crossing points and improve pedestrian movements. These new measures are also in line with the Councils commitment to increasing pedestrian priority throughout the city.
