

World Car Free Day 2023

Thistle Community

As part of World Car Free Day this year Thistle Outdoors are having an event at Thistle on **Wednesday 27 September**.

Thistle staff and those in the Thistle community are encouraged to be mindful of their car usage when getting to Thistle and leave the car at home when travelling to work.

Below are some methods that can help reduce or remove your car journey:

- Park further away from Thistle and walk the rest of the way
- Dust off your bike and cycle
- Walk part way/get the bus part way

On arrival at Thistle, anytime between 8.30am-10.30am, come and speak to the Thistle Outdoors team in the Hub about your experience and have a coffee/tea and a pastry and get your bike checked if you've cycled.

Anyone passing nearby Thistle that day between 8.30-10.30am, please feel free to come in and have a chat with us and an obligatory pastry!
