**These guidance notes have been provided to help you complete the application form and ensure you are aware of any additional information and/or documentation required as part of your application as well as your Tax obligations and responsibilities.**

Please make sure that you have read all the guidance notes provided as they will help you complete the application form. All questions on the form must be answered. If a question is irrelevant, please mark it “not applicable” unless otherwise stated.

The following information is required before an application can be accepted:

- A fully completed and signed application form
- The correct application fees

Incomplete application forms will not be accepted and will be **returned to you within 2 weeks of submission.**

### **Why do I need a booking office licence?**

A licence is required for premises whose business consists to any extent of taking bookings, by any means of communication from members of the public for the hire of a taxi or private hire vehicle. No licence is required where the number of vehicles in respect of which bookings are taken does not at any time exceed 3 vehicles.

### **CHECKLIST**

Any application submitted without a fully completed checklist and all required additional documents i.e. application form, layout plans of the premises to be licensed etc will not be accepted

You must indicate which licence type you are applying for. You cannot apply to renew a licence after it has expired. An application for licence renewal must be made before the expiry of the current licence.

## **APPLICANT DETAILS – PARTS A, B & C**

any maiden or previous name, place and date of birth must be provided as the Council is required to copy your application to Police Scotland who require this information to carry out appropriate vetting checks.

**Please also note that when the licence is to be held in the name of a company or partnership, documentary proof of the existence of the company/partnership must accompany the application form**

## **PART D**

If the applicant is a Company or Partnership, details of the individual who will be responsible for the day to day management of the Booking Office **must** be provided.

Applicants are advised to take their own independent legal advice if they are in any doubt as to who should be detailed on their application. In particular applicants should note that a day to day manager will be considered a joint licence holder and, should that manager leave during the currency of a licence, there will be implications for the licence

## HMRC TAX CHECK

From 2 October 2023, the government has introduced tax requirements for applications for certain licences in Scotland.

This means that anyone (Individuals, companies, and any type of partnership) applying for or renewal of a Booking Office licence, on or after 2 Oct 2023, must complete a tax check with HM Revenue and Customs (HMRC) before applying for the licence

Applicants must also complete a tax check if applying for:

- the same type of licence already held with another licensing authority.
- the same type of licence previously held, that stopped being valid less than a year ago

Applicants must do the check themselves and will receive a 9-character code which must be provided on the application form.

The tax check should only take a few minutes to complete and there is guidance on [GOV.UK](https://www.gov.uk) to help you complete the check. Anyone who needs extra support will be able to complete the tax check by phone through HMRC's customer helpline

Please note that the tax code provided from HMRC is valid for 120 days so please ensure when submitting a renewal application that a valid tax code is provided on the application

New licence applicants do not need to carry out a tax check however, they must confirm as part of their application, that they:

- are registering for tax
- have read and understood the [HMRC Tax Responsibilities](#)
- are aware of their tax obligations.

The links below provide more information about tax registration obligations:

Applicants must do the check themselves and will receive a 9-character code which must be provided on the application form. **Renewal application forms will not be accepted by the licensing service without the 9 character tax code.**

The tax check should only take a few minutes to complete and there is guidance on [GOV.UK](https://www.gov.uk) to help you complete the check. Anyone who needs extra support will be able to complete the tax check by phone through HMRC's customer helpline.

HMRC have also produced a [tax check factsheet](#) which will help you understand what is required for new or renewal applications

For the avoidance of doubt, Edinburgh City Council do not receive any of your tax information, only confirmation that you have completed the relevant check

## **PROCESSING YOUR APPLICATION**

When your application is submitted together with the relevant fee, all required documentation, checked, and validated, a copy of your application will be sent to Police Scotland who will carry out their own investigations before reporting back to the licensing Section.

The Civic Government (Scotland) Act 1982 prohibits the Council from making a decision on your application until a minimum of 28 days has passed from the date a valid application is submitted. During this time, any person can object to your application.

The majority of applications with no representations or objections will take 4-6 weeks to process, however applications that are to be considered by the Licensing Sub-Committee will take longer to determine.

If an objection or representation is received in relation to your application you will be sent a copy of the representation or objection. Your application and any letter of objection or representation will then be referred to the next available Licensing Sub-Committee for consideration. You will be written to and invited to attend the meeting and given an opportunity to address the committee before a decision is made.
