

Statement of Reasons - TRO/21/31

The works are being carried out to address the following:

- To resurface the road and footpaths that are currently in poor condition
- To replace street trees that have been removed over time
- To amend waiting and loading restrictions to accommodate the new trees
- To widen substandard footpaths and install traffic signals and crossings at the junction with Pitsligo Road to assist pedestrians, especially schoolchildren
- To provide raised table crossing points at junctions to assist pedestrians
