		<ol style="list-style-type: none"> 3) Notes the commitment given at the Licensing Sub Committee on 12th December 2023 that the continuous footway junctions would be monitored and commits to also report pedestrian, cyclist and traffic volumes at these junctions to the TEC Committee along with all incidents on these crossings during the monitoring phase again this can be via the Business Bulletin. 4) Recognises that the changes in traffic using the the routes through the Crescents over the last 10 years caused by changes in the Network have impacted the Crescents and that the TRO/23/17 responds to a previous TRO and commits to arranging a workshop with residents to discuss the results of the monitoring and consider whether further mitigation is needed to address any adverse impacts or to meet the Council's aspirations in the City Mobility Plan. The Crescents comprises: Douglas Crescent, Magdala Crescent, Rosebery Crescent, Coates Gardens, Eglinton Crescent, Lansdowne Crescent, Glencairn Crescent, Grosvenor Crescent and Grosvenor Street
