

# Respect Her Space Video Transcript

## Woman one

I'm sure it was nothing, but you know when someone is just that bit too close?

## Woman two

He shouldn't have done that. It made me feel afraid.

## Passing male voice

night love

## Woman three

He might not have realised but things like that can make women feel uncomfortable and even scared. Just giving a bit more space would make women feel a lot safer. Respect Her Space.
