Good practice guidelines		
Carbon emissions generated/reduced data		
Environmental data		
Risk from cumulative impacts		
Other (please specify)		

Evidence	Available – detail source	Comments: what does the evidence tell you with regard to different groups who may be affected and to the environmental impacts of your proposal
Additional evidence required	N/A	

8. In summary, what impacts were identified and which groups will they affect?

Equality, Health and Wellbeing and Human Rights	Affected populations
Positive This is beneficial to the health and safety of employee and community as its aim is to protect all people so far as is reasonably practicable. This will protect those with respiratory conditions, including those which cause an ongoing disability.	Employees, service users, contractors/third parties, tenants of the Council and the community
Negative N/A	

Environment and Sustainability including climate change emissions and impacts	Affected populations
Positive local positive impacts through adhering to statutory legislation.	Employees, service users, contractors/third parties, tenants of the Council and the community
Negative N/A	

Economic	Affected populations
Positive There is a cost to supporting colleagues to attend smoking cessation activities, however the long term health benefits outweigh the cost of this.	Employees, service users, contractors/third parties and the community
Negative N/A	

9. Contractors are required to comply fully with this policy by securing compliance with regulatory obligations.

10. This Policy will be communicated to all employees and those persons that engage with Council services (contractors) through internal communications and contractual agreement.

11. N/A

12. Additional Information and Evidence Required

N/A

13. Specific to this IIA only, what recommended actions have been, or will be, undertaken and by when? (these should be drawn from 7 – 11 above) Please complete:

Specific actions (as a result of the IIA which may include financial implications, mitigating actions and risks of cumulative impacts)	Who will take them forward (name and job title)	Deadline for progressing	Review date
