

City of Edinburgh Council High-priority Delivery Areas

This map spatially displays results from the LHEES Stage 4.

This map shows the top 5 delivery areas with the highest property counts for Category 1 Off Gas and On Gas properties. This map also displays the High-Priority Delivery Areas as outlined by Edinburgh City Council

Category 1 = properties which are considered to be highly suited for a heat pump solution.

- High-priority Delivery Areas
- On Gas Category 1 Delivery Areas
- Off Gas Category 1 Delivery Areas
