1997,
AS ADAPTED AND MODIFIED BY PART I**

The following provisions of the Town and Country Planning (Scotland) Act 1997, as adapted and modified by Part I of this Schedule, apply in relation to consents, and applications for consent, under this Order.

Section 36

36.—(1) The planning authority shall in relation to this Order keep a register of all applications for consent under this Order, containing—

(a) information as to the nature of such applications, the decisions of the planning authority thereon,

(b) information as to any appeal to Scottish Ministers and the decisions of Scottish Ministers thereon, any compensation awarded in consequence of the decisions of the planning authority or Scottish Ministers; and

any directions as to the replanting of woodlands.”

(4) Every register kept under this section shall be available for inspection by the public at all reasonable hours.

Section 37

37.—(1) Where an application is made to a planning authority for consent under a tree preservation order—

(a) subject to subsections (1A) and (1B) they may grant consent under the order, either unconditionally or subject to such conditions as they think fit (including conditions limiting the duration of the consent or requiring the replacement of trees); or

(b) they may refuse consent under the order.

(1A) Where an application relates to an area of woodland, the authority shall grant consent so far as accords with the practice of good forestry, unless they are satisfied that the granting of consent would fail to secure the maintenance of the special character of the woodland or the woodland character of the area.

(1B) Where the authority grant consent for the felling of trees in a woodland area they shall not impose conditions requiring replacement where such felling is carried out in the course of forestry operations (but may give directions for securing replanting).

(4) The date of the grant or refusal of—

(a) consent under a tree preservation order; or

(b) any consent, agreement or approval required by a condition imposed on the grant of such consent,

shall be the date on which the notice of the planning authority's decision bears to have been signed on behalf of the authority.

Section 44(1)

44.—(1) Without prejudice to the provision of this Part as to the duration, revocation or modification of consent required by a tree preservation order], any grant of consent required by a tree preservation order shall (except in so far as the consent otherwise provides) endure for the benefit of the land on which the tree or trees to which the consent relates are situated and all persons for the time being interested in it.

Section 47

47.—(1) Where a planning authority—

(a) refuse an application for consent under a tree preservation order or grant it subject to conditions;

(b) refuse an application for any consent, agreement or approval of that authority required by a condition imposed on a grant of consent under such an order;

(c) give a direction under a tree preservation order, or refuse an application for any consent, agreement or approval of that authority required by such a direction; or

(d) fail to determine any such application as is referred to in paragraphs (a) to (c) within the period of 2 months beginning with the date on which the application was received by the authority,

(b) in respect of such a failure as is mentioned in paragraph (d) of that subsection, at any time after the expiration of the period mentioned in that paragraph, but if the authority have informed the applicant that the application has been refused, or granted subject to conditions, before an appeal has been made, an appeal may only be made against that refusal or grant.

(5) For the purposes of the application of section 48(1), in relation to an appeal made under subsection (1)(d), it shall be assumed that the authority decided to refuse the application in question.

Section 47A

47A.—(1) In an appeal under section 47(1), a party to the proceedings is not to raise any matter which was not before the planning authority at the time the decision appealed against was made unless that party can demonstrate-

- (a) that the matter could not have been raised before that time, or
- (b) that its not being raised before that time was a consequence of exceptional circumstances.

(2) Nothing in subsection (1) affects any requirement or entitlement to have regard to-

- (a) the provisions of the development plan, or
- (b) any other material consideration.

Section 48

48.—(1) On an appeal under section 47 the Scottish Ministers may—

- (a) allow or dismiss the appeal, or
- (b) reverse or vary any part of the decision of the authority (whether the appeal relates to that part of it or not),

and may deal with the application as if it had been made to them in the first instance.

(3) If the Scottish Ministers propose to reverse or vary any part of the decision of the planning authority to which the appeal does not relate, they shall give notice of their intention to the planning authority and to the appellant and shall give each of them an opportunity of making representations about their proposal.

(5) In relation to an appeal to the Scottish Ministers under section 47—

- (a) sections 37(1), (1A) and (1B) shall apply, with any necessary modifications, in relation to an appeal to the Scottish Ministers under section 47 as they apply in relation to an application for consent under a tree preservation order which falls to be determined by the authority.

(9) Schedule 4 applies to appeals under section 47, including appeals under that section as applied by or under any other provision of this Act.
