

THE CITY OF EDINBURGH COUNCIL

STATEMENT OF REASONS

THE CITY OF EDINBURGH COUNCIL (WEST CRAIGS) (SPEED LIMIT CHANGE)

The Order is intended to reduce the existing speed limit on Turnhouse Road, Craigs Road and associated side roads to create a safe environment for residents and visitors around the new development area. The introduction of the revised speed limit will allow the operation of controlled pedestrians to commence and provide speed management adjacent to the new primary school, housing and play park areas.

The proposed speed limit is deemed to be reasonable, provides appropriate speed management on the roads adjacent to the new housing and school developments and will not disproportionately affect local commercial operations.

The proposed Speed Limit will promote road safety throughout the new residential community.
