

THE CITY OF EDINBURGH COUNCIL

STATEMENT OF REASONS

**THE CITY OF EDINBURGH COUNCIL (PROHIBITION OF MOTOR VEHICLES)
(CAMMO ROAD, EDINBURGH) (NO 1) EXPERIMENTAL TRAFFIC
REGULATION ORDER 2025** **– TRO/22/13**

The introduction of the proposed measures is intended to reduce traffic volume, reduce the likelihood of accidents occurring on the section of road itself and in the neighbouring residential area(s), encourage active travel (namely cycling), and to reduce littering. The scheme is being introduced by way of Experimental Traffic Order made under Sections 9 and 10 of the Road Traffic Regulation Act 1984, so as to allow the Council to modify or vary the scheme at short notice once in force, should circumstance require.
