Localised Work Sites

The planting of grass seed will take place along the route in Spring 2024.

Small sections of surfacing are continuing.

Construction Updates

Newhaven to Leith Walk

Ocean Terminal

There are small sections of hard and soft landscaping continuing in this area.

Stevedore Place

There are outstanding works scheduled to take place at the west entrance of Stevedore Place.

Bernard / Baltic Street

Please note there is outstanding lining works to take place by Maritime Street. This is scheduled to take place w/c 11 December 2023. Once completed, the bins will be located in the bin store to the west of the bus stop.

The five trees have now been planted and the barriers will be removed.

Leith Walk

Cycle Lane

There are collapsed utility covers at Gayfield Square, Elm Row, and Pilrig Church which require further works. These works are being undertaken by a utility company. We are awaiting confirmation of when these works will take place.

Once complete, the cycleways on both sides of Leith Walk will formally open.

Cycle diversion routes remain in place to facilitate these works.

Foot of the Walk to Pilrig Street

Further signage and the creation of a yellow box junction at the Leith Walk / Great Junction Street / Duke Street junction are scheduled to take place over the coming weeks. These works will take place out of hours.

Scottish Water are undertaking works at Dalmeny Street (repairs to deal with flooding issues).

Pilrig Street to Annandale Street / Montgomery Street / Elm Row

Scottish Water are continuing works at Albert Street. [Full details of the works that are being undertaken can be found on the Scottish Water website.](#)

The Brunswick Street / Leith Walk junction remains closed until further notice.

Elm Row is now fully open. Lining and signage works by a specialist sub-contractor are scheduled to take place w/c 11 December 2023.

There are outstanding surfacing works to take place on Montgomery Street. These are scheduled to take place w/c 11 December 2023.
