Localised Work Sites

The planting of grass seed will take place along the route in Spring 2024.

Construction Updates

Newhaven to Leith Walk

Stevedore Place

There are outstanding works scheduled to take place at the west entrance of Stevedore

Place.

Bernard / Baltic Street

Lining works in this section are now completed.

Bins will be located in the bin store to the west of the bus stop early 2024.

The barriers around the newly planted trees have now been removed.

Leith Walk

Cycle Lane

There are collapsed utility covers at Gayfield Square, Elm Row, and Pilrig Church which require further works. These works are being undertaken by a utility company. We are awaiting confirmation of when these works will take place.

Once complete, the cycleways on both sides of Leith Walk will formally open.

Cycle diversion routes remain in place to facilitate these works.

Foot of the Walk to Pilrig Street

A programme of work to install further signage and the creation of a yellow box junction at the Leith Walk / Great Junction Street / Duke Street junction is being developed.

The Scottish Water works at Dalmeny Street are now completed and the junction re-opened.

Pilrig Street to Annandale Street / Montgomery Street / Elm Row

Scottish Water works at Albert Street are scheduled to be completed this week. [Full details can be found on the Scottish Water website.](#)

The Brunswick Street / Leith Walk junction remains closed until further notice.

Elm Row is now fully open. Lining works have been completed.

The surfacing at Montgomery Street have been completed. A small section of lining works will be undertaken early 2024.

We would like to wish everyone a Merry Christmas and a Happy New Year.
